FREE!
(\$375 value)

Total Merchant Services is now providing next-generation terminal equipment to merchant locations **FOR FREE** – **NO CATCHES**. Even the shipping's free!

We want you to have the **BEST EQUIPMENT POSSIBLE**, and just like a cell phone dealer offering free cell phones or a satellite TV company offering free dishes, we don't think you should have to pay for it.

UPGRADE YOUR EQUIPMENT TODAY. We'll give it to you **BRAND NEW**. We'll make it state-of-the-art and IP-enabled. Use the IP feature or don't, but you'll still have the ability to hook it up at any time.

And with this **FREE, PRE-PROGRAMMED, MULTI-APPLICATION TERMINAL**, not only will you quickly process credit and debit cards in 2 to 4 seconds, but you'll also be able to accept a check just like a credit card. Run a customer's check through the imager, hand the check back to the customer, and the money automatically gets deposited into your account. Now that's an upgrade.

If you cannot get all of this from your current provider, it's time to make a change, because **WE'LL DO ALL OF THAT – FOR FREE.**

Total Merchant Services guarantees that **YOU WILL NOT PAY MORE MONEY IN PROCESSING FEES** when taking advantage of our Free Terminal Placement program. For complete details and registration, please call
